Actual full-time occupancy or staffing of exhibit space by exhibitor personnel is mandatory. Exhibitors failing to comply with this requirement shall forfeit their rights to said space as well as any and all monies paid. In addition, Event Organizer may use said space in such manner as it may deem in the best interest of the event. Event Organizer may also, at the direct expense of any negligent exhibitor, employ persons to staff any unstaffed exhibit. Exhibitor staff will be restricted to Exhibitor's employees and their authorized representatives. Exhibitor staff must wear their Exhibitor Badges while in the Facility and when attending Event functions. Event Organizer reserves the right to determine whether the character and/or attire of exhibitor staff is acceptable and in keeping with the best interests of other exhibitors and the Exhibition Hall.

Exhibitor hereby covenants, agrees and undertakes to defend, indemnify and hold harmless, Event Organizer, the Event Venue and their respective officers, staff, volunteers, representatives and agents of each of these entities from, against and with respect to any and all special, indirect, incidental, or consequential loss or damage, costs, liabilities, claims, damages, and expenses (including, without limitation, reasonable legal fees and disbursements) directly or indirectly including but not limited to personal injury, death, property damage or any other damage or injury to any of the persons or property of Exhibitor, resulting from any theft, robbery, fire, accidents, loss or damage from any cause whatsoever, that may occur to Exhibitor or to Exhibitor's employees, invitees, licensees, or guests, or their property.

Event Organizer shall not be liable for failure to perform its obligations under this Agreement as a result of strikes, riots, acts of God, or any other cause beyond its control. Anyone visiting, viewing, or otherwise participating in Exhibitor's exhibit space is deemed to be the invitee, licensee, or guest of Exhibitor,

and not the invitee, licensee, or guest of Event Organizer. Exhibitor assumes full responsibility and liability for the actions of its agents, employees, independent contractors, or representatives, whether acting within or without the scope of their authority. Exhibitor acknowledges that neither the Event Organizer nor the venue

which the event takes place maintains insurance covering Exhibitor's property and that it is the sole responsibility of the Exhibitor to obtain business interruption and property damage insurance covering such losses by the Exhibitor.

18. SUITCASING & OUTBOARDING POLICY

Event Organizer maintains a Suitcasing and Outboarding policy covering all of our Conferences and Exhibitions. "Suitcasing" and "Outboarding" are parasitic, unethical business practices in which attendees conduct, transact or promote business at the conference and do not have exhibit or sponsorship.

"Suitcasing" refers to non-sponsoring/non-exhibiting companies or individuals who go to conferences as an attendee and solicit business in the tradeshow aisles, session rooms, or hotel lobbies and common areas.

"Outboarding" refers to non-sponsoring/non-exhibiting companies or individuals that host meetings, events, or demos, etc. outside of the exhibition hall, such as in hospitality suites, restaurants, or public places in close proximity to the conference, and encourage conference attendees to leave the conference to attend their events. Bottomline is, if you want to hold an event, it must be approved by DigiMarCon.

This Suitcasing and Outboarding policy includes, but is not limited to the following unauthorized activities.

Prohibited Activities:

- Unauthorized receptions & parties (including off-site events)
- Unauthorized exhibits, mobile exhibits & hospitality suites
- Unauthorized membership recruitment activities
- Unauthorized promotion of non-DigiMarCon events
- Unauthorized employment recruiting
- Unwelcome advances toward event participants or the DigiMarCon staff
- Unauthorized on-site distribution (on tables, counters, booths etc.) of printed or electronic materials including literature, signs, flyers, invitations, tickets, forms, etc. (except business cards)
- Approaching people on the show floor and soliciting them

Event Organizer has a zero-tolerance policy regarding suitcasing and outboarding. Any person and/or organization found to be violating this policy will be asked to leave immediately (with no refund) and will be charged the single-booth rate, which must be paid prior to registering as an attendee, exhibitor, or sponsor at any future Event Organizer Event.

Egregious and/or multiple violations of this policy may result in disqualification from future events at the discretion of Event Organizer .

Please report any violations regarding suitcasing or outboarding you may observe to Event Management or Staff. Event Management will investigate the complaint and determine the appropriate course of action.

19. CODE OF CONDUCT

Exhibitor is responsible to the Event Organizer for ensuring their allocated exhibit space is kept clean and tidy, and store all rubbish in proper containers. The Event Organizer reserves the right to regulate any activity on the part of any Exhibitor that may cause annoyance to other exhibitors or visitors to the Event. This includes excessive noise from working exhibits or sound equipment. Harassment of attendees or other exhibitors will result in dismissal

of the Exhibitor from the Event, closure of the exhibitor's display and possible forfeiture of exhibitor's ability to attend future Event Organizer events.

Exhibitors shall be responsible for maintaining reasonable and appropriate noise levels as solely determined by the Event Organizer so as not to interfere with the normal display and conversation of other exhibitors. Event Organizer reserves the right to restrict exhibits which because of noise, method of operation or any other reason become objectionable. Exhibits, which in the opinion of Event Organizer, detract from the general character of the Exhibition Hall as a whole will be prohibited. This reservation includes persons, things, conduct, printed matter or anything of a

character that Event Organizer determines is objectionable. In the event of eviction, Event Organizer is not liable for refunds.

All demonstrations and other promotional activities must be confined to the limits of Exhibitor's allotted space. Exhibitor is responsible for keeping the aisles near its exhibit free of congestion caused by demonstrations, distribution of literature or other activities. Any demonstration or activity that results in obstruction of aisles or prevents ready access to nearby exhibitors shall be suspended at the request of Management. If any crowding occurs, it is the responsibility of Exhibitor to immediately disperse such crowds.
